SERVICES OFFERED

eLaundry provides a full range of services to suit every lifestyle:

LAUNDRY SERVICE (WASH, DRY & FOLD)

Perfect for everyday clothing, towels, and bedding - washed with eco-friendly detergents and folded neatly.

DRY CLEANING

Professional care for suits, dresses, delicate items, and special garments that need expert attention.

IRONING SERVICE

Crisp, crease-free shirts, blouses, and linens so you look and feel your best with zero effort.

BEDDING & LINEN CARE

Duvets, sheets, pillowcases, and blankets cleaned to the highest hygiene standards.

SPECIALIST CLEANING

From delicate fabrics to bulky items, everything receives premium-grade cleaning and detailed finishing.

OPTIONAL ADD-ONS

Stain removal, garment repairs, and minor alterations (availability may vary).

SUSTAINABILITY & HYGIENE

At eLaundry, we believe great service should also be responsible, safe and environmentally conscious.

Every item that enters our facility is cleaned using processes designed to protect both you and the planet.

HYGIENE YOU CAN TRUST

We follow strict industry-leading cleaning standards to ensure every garment is thoroughly sanitised. Our systems remove bacteria, allergens, and odours while keeping fabrics looking their best.

ECO-FRIENDLY CLEANING

Our detergents and solvents are carefully selected for high performance and low environmental impact. You get beautifully clean clothes without the harsh chemicals.

ENERGY-EFFICIENT SYSTEMS

We use modern, energy-efficient machinery and optimised wash cycles to reduce water and power consumption - delivering great results with minimal waste.

RESPONSIBLE PACKAGING

Where possible, we use reusable or recyclable packaging to help reduce single-use waste across every order.

SMARTER, GREENER LIVING

By centralising laundry through an efficient professional service, residents contribute to a more sustainable living environment with fewer individual machine loads and reduced resource usage.

YOU GET BEAUTIFULLY CLEAN CLOTHES WITHOUT THE HARSH CHEMICALS.
